Dear colleagues,

the Virtual Center for Replacement/Complementary Methods to Animal Testing will organize a Symposium at the University of Veterinary Medicine in Hannover on March 28/29th 2019 in order to present state of the art topics on new aspects of replacement and complementary methods for animal experiments. The Symposium will include both, invited keynote presentations and short communications, which will be given either as oral communications or poster presentations.

The following keynote presentations will be given:

- 1. Integrating lung tissue and cells into respiratory research and development**
Dr. Katherina Sewald, Fraunhofer ITEM, Hannover
- 2. Reconstructed tissue models for *in vitro* toxicity testing of chemicals, cosmetics and medical devices**
Helena Kandarova, Ph.D., SETOX, Bratislava, Slovakia
- 3. Developmental neurotoxicity *in vitro* evaluation: on the road to regulatory application**
Prof. Ellen Fritsche, IUF – Leibniz Research Institute for Environmental Medicine, Düsseldorf
- 4. Blood-brain barrier *in vitro* models: Challenges and novel developments**
PD Winfried Neuhaus, Austrian Institute of Technology, Wien, Austria
- 5. *In vitro/in silico* prediction of hepatotoxicity and comparison to the *in vivo* situation**
Prof. Jan Hengstler, IfADo - Leibniz Research Centre for Working Environment and Human Factors, Dortmund

The Symposium will be held in the Institute for History of Veterinary Medicine and Domestic Animals, Bischofsholer Damm 15/120, 30173 Hannover

Symposium fee: € 25,-

You are kindly requested to transfer the symposium fee to the following bank account:

TiHo Hannover/32
Nord/LB
IBAN: DE87 2505 0000 0106 0313 62
BIC: NOLA DE 2H
Ref.: 60001027 (VZET)

This is to invite you to participate and to submit an abstract for a short communication electronically by February 15th 2019 to the following address:

dagmar.liedtke@tiho-hannover.de

The abstract may not exceed 5000 characters and should be written in the following format:

Title: Arial 20 bold

Author and affiliation: Arial 18

Text: Arial 12

Your participation would be highly appreciated!

Kind regards,

Prof. Dr. G. Breves
