

Grow with us. Support excellent research.

IST Austria is a constantly growing international institute for conducting frontier research in the life, physical, and formal sciences, located in Klosterneuburg on the outskirts of Vienna. As employees of the administration and the Scientific Service Units, we strive to support IST Austria's scientists in performing excellent research.

Technician for Preclinical Facility (f/m)

FULL TIME (40H)

The **Preclinical Facility (PCF)** offers services for currently 10 research groups which compete on scientific top level in their field with research institutions worldwide. Therefore we are searching for a highly motivated colleague for our genotyping lab (PCF lab) and for the management of transgenic mouse lines. Are you interested in how your future working place may look like? This [video](#) provides a bird's eye view of IST Austria.

Responsibilities

- Mouse Colony Management on an independent manner like maintaining transgenic mice, setting-up breeding and tissue sampling
- DNA extraction and Genotyping by PCR
- General data documentation in our data management system
- Link between scientists and the entire team of the Preclinical Facility
- Active input by the candidate for the implementation of new techniques in the PCF

Requirements

- Degree in Biology (Genetic background is appreciated) or experience as technical Lab assistant in a molecular biology lab or equivalent education
- Experience in breeding and maintaining transgenic mice is an advantage but not mandatory. Strong willingness to learn these skills is absolutely required
- Experience with molecular biology techniques, especially PCR
- Possibilities to learn new techniques and methods (IVF, Embryo Transfer)
- Computer skills, like Microsoft Excel, Word and Outlook are mandatory
- High level of self-organization and very good record keeping skills
- Good communication skills in English are mandatory
- Highly service-minded attitude
- We look for a friendly, self-motivated, trustworthy and communicative colleague for this position, who likes to work as part of a team in a dynamic, growing and international environment

IST Austria

- Offers a challenging position in a dynamic and growing organization
- Supports learning and development
- Provides flexible working times and numerous fringe benefits
- Promotes an international and open culture
- Supports an appreciative and respectful work environment
- Values diversity and is committed to equality
- Free Shuttlebus for employees (Departing from Heiligenstadt, travel time: about 22 min.)

To apply for this position send your application in one combined pdf (including CV, certificates and references) by e-mail to:

Mag. Gabriele Buchner-Kranzl
gabriele.buchner-kranzl@ist.ac.at

For this position we offer a minimum annual gross salary of EUR 2,100 gross/month (14/year), with possible overpayment depending on education, qualification and work experience.
