

# ILAF -ESLAV-ECLAM 2011 Annual scientific meeting

5-6th September 2011  
Jerusalem

**“What is New?  
Animal Models,  
Housing and  
Techniques”**

We are happy to invite you to the [ILAF-ESLAV-ECLAM 2011](#) annual scientific meeting in Jerusalem , Israel on the 5th and 6th of September 2011.

Meeting will take place in “[Beit Shmuel](#)” just out of the old city walls in walking distance from most historic and religious attractions.

It will be a great opportunity to enjoy top class presentations on:

**“What is New? Animal Models, Housing and Techniques”** with a visit to the Holy Land.

For more details about the meeting :
