Registration deadline
29th September 2024
Course Content
The content of the FELASA accredited course is in accordance with the Education and Training Framework of the EU Directive 2010/63/EU. It covers the functions A (Persons carrying out animal experiments) and B (Persons responsible for directing animal experiments) and the recent FELASA Guidelines.

Course structure:

E-Learning	**Activated from 02nd – 30th October 2024**	
Content:	National legislation*; ethics, animal welfare and the 3Rs; basic and appropriate biology of primates; primate care, health and management; recognition of pain, suffering and distress in primates, humane methods of killing in lab animals	
Platform:	Our E-Learning is integrated in the www.las-interactive.de platform. Only course participants will be able to access respective contents	
Online-Exam:	Your participation in the e-learning will be controlled by an online multiple-choice exam	
On-site course	**04th – 08th November 2024**	
Location	German Primate Center, Kellnerweg 4, 37077 Göttingen, Germany	
Programme	(tentative schedule)	
Contents	Primate Handling and Training (theory and practice*)	
	Minimally Invasive Procedures in Primate Research – Insights from Neurosciences, Infection Biology and Stem Cell Research (theory)	
	Measuring Behaviour (theory and practice*)	
	Ethics, Animal Welfare and the 3Rs	
	Design of procedures and projects – Insights from Infection Biology and Neurosciences	
	Good laboratory practice	
	Biometry and Biostatistics in Laboratory Animal Science	
	Legal Issues and Responsibilities	
On-site Exam	Multiple-choice exam	

* For participants working outside Germany: Please beware that this course includes core module 1 "National Legislation" for Germany only. You may need to attend this module again for your own country-specific legislation.

** note that due to legal requirements hands-on training involving live primates cannot be conducted
